

Name

Interests: dogs, reading, puzzles, art

This is how I learn... my strengths

I am a hard worker in math

I like reading about animals

I have good ideas when I'm writing stories

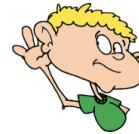

I work better on my own

This is what I have difficulty with...

Knowing how to start my work.

Listening and understanding instructions

Goals

1. Stay Focussed
2. Stay Focussed
3. Stay Focussed

Paying attention for a long time

Keeping myself organized

This is what helps me...

In class:

I need you to work with me in a smaller group or by myself

I need you to write for me

I need a visual schedule

I need to hear the instructions more than once

I need you to tell me the first step of my task

I need to hear when I'm doing well

On the playground:

I need you to remind me to think before I make a decision

I need help finding a friend to play with

I need help following recess rules

I need help with my emotions

I need help when I lose a game

I need help taking turns

Pursuing Potential
